ROCK ISLAND

PASSES FIFTIETH
MASONIC BIRTHDAY

DR. MARCUS H. C. PATTEN.

For fifty years a Mason—that
honor was celebrated Thursday by
Dr. Marcus H. C. Patten, 1902
Fifth avenue. "Doc's" face is well
known to every member of Trio
and Rock Island lodges as well
as to the many visitors who drop
in at the Temple, which for years
has been "Doc's" reception room
where, as custodian, he has re-
ceived all with the better than royal
welcome of his cheery smile.

Dr. Patten was raised to the de-
gree of Master Mason in Western
Star lodge, Champaign, Ill., Dec. 22,
1870, and admitted to Rock Island
lodge, No. 658 over twenty-five
years ago and for that quarter of
a century has been a faithful and
consistent member of the local
lodge.

For many years Dr. Patten prac-
ticed dentistry in and about Spring-
field and is one of the oldest living
members of the state dental so-
ciety, having been a ready partici-
pant in its activities for over half
a century. Upon coming to Rock
Island, about twenty-five years ago
"Doc" continued to practice his
profession and became well known
as a dental surgeon, having re-
tired about five years ago, when he
was named custodian of the Ma-
sonic temple of this city.

CHRISTMAS TREE FLAGS.

Dayton, Ohio.—Warren G. Hard-
ing, president-elect, has endorsed a
proposal to have the stars and
stripes placed at the top of Christ-
mas trees as a national custom. In
a letter to Richard C. Fowler of
this city, the next chief executive
wrote:

"I am sure that anything I might
say that would have a tendency to
assert Americanism and promote
reverence and respect for our flag
will be most pleasing to me. The
idea which you have originated ap-
peals strongly to me as it combines
with a very beautiful custom, a les-
son in patriotism."

TO COMPLETE

The dressing of your Christmas
Trees, do not forget a box of DELI-
TANUT and MEADOWBROOK
Milk Chocolates. That candy so
different.

Protect the Children.

tem is a Child's best protection
against Colds, Grip and Influenza.

DIRECTORS IN DISCUSSION OF ONE-FUND PLAN

All Budgets Submitted Must Be
Audited By Public Accountant,
Is Decision.

The board of directors of the
Chamber of Commerce held a meet-
ing yesterday afternoon at which
time various phases of the proposed
Rock Island community fund were
discussed. A good many of the in-
stitutions eligible to participate in
a fund of this kind have already
submitted their budgets, which will
be scrutinized with the greatest of
care, as it is the plan of the board
to keep the amount to be raised in
the lowest possible amount. Some
of the institutions have not sub-
mitted their requirements, and if the
same are not received, they will
not be included. The board went
on record that all budgets submit-
ted must be audited by a public ac-
countant, as well as a complete
itemized statement given of what
money was raised and how spent
during the past season.

A report was also had from the
city planning conference held at
Decatur Dec. 7, which was attend-
ed by O. Z. Cervin, as the repre-
sentative from the Chamber of
Commerce. An effort will be made
to have a similar conference held
in this city.

CALL FOR BIDS.

Bids will be received at the may-
or's office, Rock Island, Ill., until
10 o'clock a. m., Jan. 3, 1921, for
an electrically driven centrifugal
pump with a capacity of 2,100 gal-
lons per minute.

Specifications on file at the may-
or's office. The city reserves the
right to reject any or all bids.

JOHN MURRIN,
Commissioner.

**Home-made, but Has No
Equal for Coughs**

Makes a family supply of really
dependable cough medicine.
It's prepared, and serves about \$2.

If you have a severe cough or chest
cold accompanied with soreness,
throat tickle, hoarseness, or difficult
breathing, or if your child wakes up
during the night with croup and you
want quick help, try this reliable old
home-made cough remedy. Any drug-
gist can supply you with 2½ ounces
of Pinex. Pour this into a pint bottle
and fill the bottle with plain granu-
lated sugar syrup. Or you can use
clarified molasses, honey or corn
syrup, instead of sugar syrup, if
desired. This recipe makes a pint of
really remarkable cough remedy. It
tastes good, and in spite of its low
cost, it can be depended upon to give
quick and lasting relief.

You can feel this take hold of a
cough in a way that means business.
It loosens and raises the phlegm,
stops throat tickle and soothes and
heals the irritated membranes that
line the throat and bronchial tubes
with such promptness, ease and cer-
tainty that it is really astonishing.
Pinex is a special and highly con-
centrated compound of genuine Nor-
way pine extract, and is probably the
best known means of overcoming
severe coughs, throat and colds.
There are many worthless imita-
tions of this mixture. To avoid dis-
appointment, ask for "2½ ounces of
Pinex" with full directions and don't
accept anything else. Guaranteed to
give absolute satisfaction or money
promptly refunded. The Pinex Co.,
St. Wayne, Ind.
